

Y-mAbs Connect™

Please see accompanying full Prescribing Information and Patient Information for DANYELZA® (naxitamab-gqgk) 40 mg/10 mL Injection including Boxed Warning on serious infusion-related reactions and neurotoxicity. The Prescribing Information is also available at labeling.ymabs.com/danyelza

Y-mAbs Connect provides answers to questions related to access, insurance, financial support programs and other resource programs for qualifying patients.

Y-mAbs Connect case managers can address questions about:

- Your patient's insurance coverage information for DANYELZA such as:
 - Benefits investigations
 - Prior authorizations and appeals
- Your patient's eligibility for available financial support programs provided by Y-mAbs Connect and third-party programs
- Logistics around the delivery of medication

If your patient is uninsured or needs help affording DANYELZA, speak to a case manager to see if they qualify for one of the financial support programs below:

Y-mAbs Connect Co-pay Program

- For eligible patients,* this program could help reduce out-of-pocket costs for DANYELZA

Y-mAbs Connect Patient Assistance Program (PAP)

- For eligible patients,* the Y-mAbs Connect PAP may be able to provide DANYELZA at no cost

For more information on the terms and conditions of these programs, speak with a Y-mAbs Connect case manager.

*Patients must meet certain eligibility criteria for these programs. Speak to a case manager to ask about eligibility.

Enroll your patient in Y-mAbs Connect—see the following page for steps to get started

Please see accompanying full Prescribing Information and Patient Information for DANYELZA® (naxitamab-gqgk) 40 mg/10 mL Injection including Boxed Warning on serious infusion-related reactions and neurotoxicity. The Prescribing Information is also available at labeling.ymabs.com/danyelza
